**Campaign Spending:** [List of Filers](#)

Aloha, I have been honored to serve you as a public servant for a number of years. Together we have worked to eliminate party lines from our district. We have worked together to reduce auto insurance rates, help small business, and deal with our energy crises and many other issues.

We have much to do. We need more schools in our district. The 40 miles between Na'alehu and Ho'okena schools is not acceptable. We need a better natural disaster plan with sufficient shelters and supplies. I have been working to obtain two movable medical vans. These 40 foot vans would serve as clinics in rural areas during the day and can be driven to areas where needed, such as flooding or other disasters.

I look forward to working with you for the next two years and need your support in the coming election.

Mahalo Robert (Bob) Herkes
